

Thanksgiving at ABC

Pies: Apple, Pecan and Pumpkin. Made with the simplest, freshest ingredients. Go ahead, say you baked 'em— it's okay with us!

Individual Tarts: Lemon, Key Lime, Apple Cranberry, Pear Frangipane, Ganache, Coconut Cream, Caramel & Chocolate Mousse. Perfect after a big dinner!

Panettone: The classic Italian bread has a rich taste and natural goodness that all will enjoy. The original recipe is characterized by dough rich in butter, eggs, raisins and candied oranges.

Pumpkin Cheesecake: A nice alternative to pie, available in 8-inch size only.

Stollen: Germany's traditional holiday yeast bread contains flour, butter, raisins, candied lemons, almonds, milk and spices. Wonderful!

Family Pack: Traditional light rolls, soft and buttery. Every table needs some of these.
